Origin: This town was first granted in 1761 as Stonington, probably due to Governor Benning Wentworth's relationship with shipbuilding interests in Stonington, Connecticut. By 1767, only a few of the grantees had settled there. The territory was regranted by Governor John Wentworth in 1771 as Northumberland in honor of Hugh Smithson, first Duke of Northumberland. The Duke's son, James Smithson, is remembered for leaving a legacy of more than a half million dollars for the founding of Smithsonian Institution.
